**Computational data analysis skill  
building for high school women**

**Tuesdays**  
**6:30-8:00 p.m.**  
**U of M campus**

- **Girls Who Code** is a national, nonprofit organization dedicated to closing the gender gap in technology by teaching computing skills to young women
- Sponsored by students and affiliates of the **Department of Computational Medicine and Bioinformatics** at the **University of Michigan**
- For female high school students interested in learning about **computational data analysis** and **Python**
- Students will explore **data analysis, visualization, and interpretation** via hands-on coding workshops and a capstone project
- Meets weekly **September 19, 2017 - May 22, 2018**
- Find our club at [girlswhocode.com](https://girlswhocode.com) or email Brooke Wolford at [bwolford@umich.edu](mailto:bwolford@umich.edu) for **more information or to sign up**
